**ENVIRONMENTAL COVENANT**

1. This Environmental Covenant is made this 17 day of Aug, 2013, by and among Peter Tameling Trust (Grantor) and the Holder/Grantee further identified in paragraph 3 below pursuant to the Uniform Environmental Covenants Act, 765 ILCS Ch. 122 (UECA) for the purpose of subjecting the Property to the activity and use limitations described herein.

2. **Property and Grantor.**

A. **Property:** The real property subject to this Environmental Covenant is located at Route 83 and Jeans Rd, Lemont, DuPage County, Illinois 60439 and is legally described in Appendix A, hereinafter referred to as the "Property". The Property is part of a larger parcel known as the Lenz Oil Superfund Site.

B. **Grantor:** Peter Tameling Trust is the "Grantor" of this Environmental Covenant. The mailing address of the Grantor is June Tameling, Administrator, 7475 Madison St., Unit 1, Willowbrook, IL 60527.

3. **Holder (and Grantee for purposes of indexing).** Illinois EPA and the Settling Work Defendants (as defined herein, paragraph 5. B.) are the Holders (and Grantees for purposes of indexing) of this Environmental Covenant pursuant to its authority under Section 3(b) of UECA. The mailing address of the Illinois EPA is 1021 N. Grand Avenue East, P.O. Box 19276, Springfield, IL 62794-9276. The mailing

address of the Settling Work Defendants is c/o Alan Bielawski, Sidley Austin, One S. Dearborn St, Chicago, IL 60603.

4. **Agencies.** The Illinois EPA and the U.S. EPA are "Agencies" within the meaning of Section 2(2) of UECA. The Agencies have approved the environmental response project described in paragraph 5 below and may enforce this Environmental Covenant pursuant to Section 11 of UECA.

5. **Environmental Response Project and Administrative Record.**

A. This Environmental Covenant arises under an environmental response project as defined in Section 2(5) of UECA.

B. The Property is part of the Lenz Oil Superfund Site, which the U.S. EPA, pursuant to Section 105 of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. § 9605, placed on the National Priorities List, set forth at 40 C.F.R. Part 300, Appendix B. In a Record of Decision (ROD) signed by the U.S. EPA Region 5 Superfund Division Director on September 30, 1999, the U.S. EPA approved a plan for environmental remediation of the Site. In the Consent Decree signed on August 14, 2002, *United States of America and the State of Illinois v. Alpha Construction, et al.*, Case No. 02 C 3609 (N.D. Ill.), Settling Work Defendants, as defined in the Consent Decree at p. 14 and listed in Appendix D.1 to the Consent Decree agreed to implement the remedial action plan in the ROD including the excavation of the principal threat area, the treatment of the contaminated material via solidification/stabilization (S/S), the disposal of the treated material within a corrective action management unit (CAMU), and the implementation of a pump-and-treat system for contaminants that remain in the aquifer after the other actions are completed. In April 2007, the U.S. EPA issued an Explanation of Significant Differences (ESD) that changed the Phase I remedy alternative from excavation and treatment via solidification/stabilization to Vacuum Enhanced Recovery (VER). In April 2008, the U.S. EPA approved the Remedial Design. On November 19, 2010, the U.S. EPA approved the Phase I Remedial Action Construction Completion Report. The remedial action plan requires implementation and compliance with land and groundwater activity and use limitations at the Lenz Oil Site. The Consent Decree also provides that U.S. EPA may require additional response activity, including changing the remedy, under certain limited circumstances.

C. Grantor wishes to cooperate fully with the Agencies by granting the required environmental covenants at the Site.

D. The Administrative Record for the environmental response project at the Lenz Oil Site (including the Property) is maintained at the U.S. EPA Superfund Record Center, 7th Floor, 77 West Jackson Blvd, Chicago, Illinois 60604. Persons may also contact the Freedom of Information Act ("FOIA") officer, Illinois EPA, 1021 N. Grand Avenue East, P.O. Box 19276, Springfield, IL 62794-9276 or Lemont Village Hall, 508

Lemont Street, Lemont, IL 60439 for the Administrative Record or other information concerning the Site.
